

Heavy Duty Louver

Fiberglass Air Inlet Louver

Midwest Cooling Towers heavy duty fiberglass louvers help improve the aesthetics and efficiency of any cooling tower. Lightweight, yet rugged, the louvers are easy to install and help minimize water splash-out, offering a safer environment. Special formulations offer excellent UV resistance. The louvers weigh nominally 24 oz/ft². They are 4.2" corrugated to match existing installations. They are virtually indestructible, making them an excellent choice in harsh, icy climates.

OEM Replacement Parts

Midwest Cooling Towers is a complete cooling tower supply company, offering a wide range of products to the cooling tower industry since 1987. Our large selection of quality OEM (Original Equipment Manufacturer) replacement parts are compatible with most models and manufacturers of cooling towers and they offer a high quality, reliable, low-cost alternative to expensive original equipment parts.
